

MEDIA MEMBERS FEDERAL CREDIT UNION

U of P CU

Skip a Payment Enrollment Form

Everyone needs a break! Your credit union wants to help. If you have a Media Members/ U of P loan and you need some time off from your payment, *now is the time!* Simply fill out and return this form during the month of May to request your skip a payment or payments for June. There is a charge of \$35 for every loan that you skip. If you have more than one loan, you will be charged for each loan on which you request to skip payments.

You may skip four weekly payments, two bi-weekly payments or one monthly payment during the month of June.

If your loans are paid by payroll deduction, the money will be put in your savings account each of the four weeks, not back in your paycheck, and will be available for withdrawal.

This offer excludes VISA credit cards and first mortgages. Additional restrictions may apply.

All Skip a Payment forms are to be approved by Media Members/U of P
